

MolecularArXiv 2026

1st International Molecular Data Storage Workshop

April 29-30, 2026 - Rennes, France

CALL FOR ABSTRACTS

We invite prospective authors to submit their original technical work on the following topics :

- DNA / Polymer Synthesis and Sequencing
- Data Encoding in DNA / Polymer
- Source / Channel Coding for DNA Storage
- Data Retrieval and Decoding
- Molecular Database Management & Security
- Emerging Applications and Use Cases

Format : **1 page**

Submission opens : **January 1st, 2026**

Submission due : **March 20, 2026**

Notification of acceptance : **March 27, 2026**

Submission process :

Send your **1-page abstract** in **pdf format** to the following email address :
mdsw@irisa.fr

Indicate the desired presentation format (oral or poster)

Keynote speakers :

Bill Banyai, CTO, Atlas Data Storage

George Church, Professor, Harvard University

Robert Grass, Professor, ETH Zurich

Pascal Mayer, Professor, Institute for Advanced Studies of the University of Strasbourg
